Dear Marshal

RE: North East Region --Training Days - 22 October 2017 & 18 February 2018

I am delighted to bring you details of our forthcoming 'Free' regional training days, sanctioned and funded by the MSA/BMSTT – and hope you are able to join us!

Marshals' training days are an important component of motorsport – ensuring events run smoothly and safely for all concerned; as well as providing quality opportunities for individuals to develop their own skills and knowledge in all disciplines and activities, in addition to obtaining the relevant signatures to support upgrade applications.

For those who have been to the North East training days in the past, you will see the continuation of the modular format. With the ever increasing need for multi-skilled and adaptable marshals, more emphasis is being placed on this approach. By attending subject specific module sessions on a 'pick and mix' basis, you are able to cover a plethora of topics that can not only help you obtain the relevant modules required for different upgrades; but also for those happy retaining existing grades, it allows for you to revisit and refresh yourself on areas that you may not have covered for some time. It is also a good way to see the approaches being delivered to our newer/younger members.

You will notice that in addition to the usual MSA modules we also try to include some topics of related interest, in order to keep the training days fresh, different and informative. The provisional timetable is shown overleaf in addition to details of the modules available, along with the **required booking form** (to be returned as soon as possible). **Please specify the modules of interest by ranking them in order of preference – with 1 being most wanted module.**

We aim to accommodate all your preferences, but sometimes adjustments may need to be made to ensure safety with numbers attending particular modules. Individual timetables for the day's activities and sessions allocated to you will be given at Sign On, with all classroom sessions and refreshments being held at the **The Tennyson Suite, Brackenborough Hotel, Near Louth** (please see enclosed map).

Refreshments of tea, coffee, water and juice will be available during the day, along with a hot meal being provided at the lunch break – all free of charge. If you have any particular dietary requirement please specify this on the form. The 'Totties' will also be having a prize raffle in aid of the Lincolnshire and Nottinghamshire Air Ambulance (tickets costing £1 a strip of 5) so any donations and participation will be gratefully received. In addition you are advised to bring your full marshalling kit (i.e. overalls, boots, waterproofs etc) in the event of any external activities and a change of shoes for returning to the inside rooms after any practical/external activity.

Please contact me or any member of the NE Committee if you have any questions. I look forward to receiving your booking form and seeing you soon.

Best wishes, *Lynne*
