

Dunsfold routes and sign on location

Dunsfold is accessed via its back gate on the Alford Road off the A281 at Alford Crossways. Go passed The Three Compasses public house to the security and ticket check point.

Drive down to the taxiway and turn left, then continue until the hangars and huts are visible then turn right. Thread your way to the left of these buildings then move to the right-hand side of the disused runway passing the security check points. Then either park behind the “Casino Royale” Boeing 747 or if paddock passes have been issued drive further down under the B747 wing to an area to be notified. Walk further down the disused runway to the large marquee on the left-hand side of the “active”/disused runways. Sign on is in the “drivers” area of the marquee and radios can be collected in the “tickets” zone. Meals are available by going through the rear entrance of the drivers area using the appropriate entitlement raffle ticket.
